ASTS

# Why ASTS?

Simplifying  
inventory  
management.

Offers Protection

- Standardizes accountability processes
- GRA supported customers have NEVER failed an IG inspection or audit

Saves Time  
& Money

- Reduces lost/stolen equipment, replacement costs, duplicate equipment purchases, warranty costs and excessive maintenance costs
- Saves key staff's time and allows more time for mission requirements

Equipment Visibility

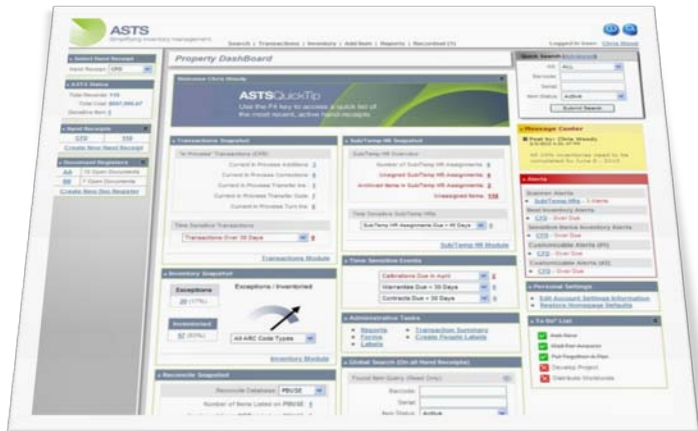

- Allows composite view of property. Know exactly what you have, where it is and what you can do with it
